THIS IS UNEVALUATED INFORMATION

25X1

The attached table gives figures on 1953 planned production and on actual production during the first three quarters of 1953 of VEB Schmierstoff Fabrik Leipzig. The plant is under the Main Administration for Liquid Fuels in the Production Area for Chemistry in the Ministry for Heavy Industry. The Production Area is the former State Secretariat for Chemistry. Revised plan figures represent the revised production plan established after 30 June 1953. All figures are in metric tons.
